WE CONTINUE TO GROW!
LETTER from the Executive Director

As I begin my role as CPL’s new Executive Director, I am thankful for the strength of this wonderful organization, the knowledge of CPL’s talented staff and the support from those who are serving on CPL’s Board of Directors who entrusted me with this position. I am excited to continue the mission first established over 29 years ago and impressively led by my predecessor, Darlene Sullivan. Darlene’s vision to enhance the lives of people with disabilities through the assistance of a trained canine partner is one that I hold dear. My professional history as a nurse specifically working with children with disabilities, instilled in me at a very early stage of my career the desire to assist, serve and provide opportunities to people and families in need. So when I was first introduced to Canine Partners as a volunteer over 13 years ago, I knew that I found a very special place with a noble purpose. I’ve since dedicated my time to CPL as a puppy raiser, dog walker, dog bath, community outreach volunteer, breeder home, and for the last 9 years I’ve served on the Board of Directors in various roles. Now, as I look to the future of CPL I see this beautiful new facility, The Marian S. Ware Program Services Center, better serving our clients, I see creative collaborations among staff enhancing the Team Training experience for our recipients, and I see continued growth driven by our Strategic Plan.

CPL is currently in the second year of a three-year Strategic Plan. The objectives for this plan were developed in 2016 by the Board of Directors and the executive management staff. The objectives guide our efforts towards areas of interest and necessity and include the following:

• The need for updated facilities through the implementation of a capital campaign and building project
• The responsibility to continue to provide high quality service and companion dogs to best meet the needs of applicants
• The duty as an accredited member of Assistance Dogs International to be an industry leader in methods and results
• The obligation of raising and maintaining the human and financial resources to continue that leadership
• The charge to increase marketing efforts and community awareness relating to CPL’s programs and the assistance dog industry as a whole
• The best interests of our recipients and Canine Partners as an organization will inevitably continue to thrive and grow.

You are all CPL ambassadors and we are blessed to have each of you, who so generously give your time and resources to support CPL’s mission.

Respectfully,

Jane Cramer
Executive Director

CPL BOARD OF DIRECTORS
President Janet Cooper
Vice President Glenn Stryszewski, MD, MPH
Treasurer Michael D. Flynn
Secretary Alex Joyce*
Board Members David W. Baker; Mary Bryant, V.M.D.; Jasonyn Cool, Esq., Michael Dalbua, L.C.S.W; Joseph Fralinardo, Jr., CPA; Jeffrey M. Gorris, Esq.; Tony Kitchell; Jennifer Madden; Erin C. O’Brien; Grafton Reeves
Board Observer Alison Morrissey
Advisory Board Members
Edward Alford*, Jeffrey Bivens; Thomas Ford, Rebecca Bradbeer; Walter Griffitts; Lance Horvitz, V.M.D.; Carter H. Lee; Pamela Morgan; Richard Swift; Abby Tarrant*; John Ward; Calhoun Wick; William D. Wright

* CPL service dog recipient

As Canine Partners for Life continues to flourish, our staff and Board of Directors are constantly evaluating our programs and policies to better improve the experience for our applicants, graduates and volunteers.

Team Training is something our entire staff takes pride in but we realize there is always opportunity for growth so we will be trialing some changes over the next year starting with this summer’s class.

The initial changes being implemented are a result of responses received from recipient surveys and communications with volunteers and staff. To begin, the training period will be reduced from three weeks to two and a half weeks. Three weeks of non-stop training is physically and mentally challenging for everyone involved. To help reduce the level of fatigue previously experienced, lectures have been modified and training trips have been moved to locations that are closer to CPL but that still provide realistic experiences for our recipients.

Beginning in 2019, our goal is to hold three Team Training classes throughout the year. We will add a class in the spring and will continue to hold classes in the summer and fall. Adding an additional training class will allow for smaller class sizes giving our staff more one-on-one time with each recipient so we can better cater to different learning styles and energy levels.

We have also implemented a new formalized evaluation process of our dogs prior to placement to ensure their skill level and public behavior continues to meet and exceed all accreditation standards. Our primary goal for implementing these changes is to effectively and efficiently provide a more positive Team Training experience for all involved.

If you have questions about our new Team Training process, please contact Janie Cramer at jcramer@k94life.org.
This state of the art facility offers many upgrades and improved accessibility to better meet the needs of the individuals we serve. Inside the building we have added additional handicapped accessible restrooms, private meeting spaces for applicant interviews and team meetings, volunteer work stations, and even a relaxation room where graduates and volunteers can have a quiet moment to themselves. This building also boasts more efficient lighting and heating systems as well as new security and fire systems.

The lower level of the building, referred to as the Terrace Level, is home to our new and improved harness shop which is much larger and fully accessible so our graduates can now accompany their service dogs for harness fittings and readjustments. This level of the building also provides additional office space, spaces for applicant interviews and team meetings, volunteer work stations, and even a relaxation room where graduates and volunteers can have a quiet moment to themselves. This building also boasts more efficient lighting and heating systems as well as new security and fire systems.

If you are interested in volunteering to help with this unique position, please contact Natalie Ergler at nergler@k94life.org.

The completion of the Marian S. Ware Program Services Center finalized phase one of The Partnership for Independence Campaign. To learn more about phase two of this campaign, please visit www.k94life.org/campaign.

If you would like a personal tour of the facility, please contact Jessica Dyrek at jdyrek@k94life.org.

A special thank you to our Partnership for Independence Campaign donors!
The cost to raise, train, and sustain a CPL service dog is in excess of $30,000. CPL requests a small donation from each graduate of $1,000 to $3,000 based on income, though no one is turned away if unable to donate. The remainder of the cost of a service dog is covered by our generous donors.
SOLLA’S PARTNERS

Leaving a legacy of generosity to CPL

Solla’s Partners is a very special group of donors who have notified us that they have included CPL in their estate plans. The society is named in memory of Solla, CPL’s first service dog (1989).

Examples of planned gifts include qualified retirement plans (IRA, 401k, and 403(b)), insurance policies, or a direct fixed donation or percentage of your estate as indicated in your will. For more information, visit www.k94life.org/give/sollas-partners.

If you have already included CPL in your estate, you deserve to be thanked and recognized. Even if you wish to be anonymous, it is important to leave a written record with CPL so your wishes are honored.

For more information about Solla’s Partners, including assistance with the process, contact Dana Looker, Associate Director of Development, at dlooker@k94life.org or 610-869-4902 ext. 216. Our Tax ID Number is 23-2508658. Our Legal Name is Canine Partners for Life, Inc.

2017 CORPORATE PARTNERS

In 2017, the following corporations have partnered with CPL through monetary donations, event participation, in-kind donations, and providing meeting spaces as well as outreach opportunities to further our mission and programs.

Corporations providing in-kind donations:

The Independence Society
a tradition of giving

Independence Society members belong to a distinctive family of generous and compassionate friends of Canine Partners for Life. Members make an annual leadership commitment of $1,000 or more to support CPL’s general operations during our fiscal year (July 1 to June 30). Many choose to contribute their support via automated monthly giving.

Members receive special invitations to exclusive member events throughout the year, and are also invited to provide ongoing feedback and guidance pertaining to the future of CPL.

We are incredibly grateful to our 2017-18 Independence Society members for their belief in our mission!

The following list was created based on general operating gifts made July 1, 2017 through December 31, 2017. For a full list of 2016-17 Independence Society members, please visit www.k94life.org/give/independencesociety.

For more information about how to become a member of the Independence Society, please contact Dana Looker, Associate Director of Development, at 610-869-4902 ext. 216 or dlooker@k94life.org.
Having Denver by my side every single day has been an adventure. Thanks to his support, I was able to come back to the Disney College Program. Each time he looks in my eye, it is like he says, you are braver than you believe, stronger than you seem and smarter than you look. Denver is my rock and I can’t imagine my life without him.

It is no exaggeration to call Hawkeye a wonder pooch! He is the most effective medicine to prevent my headaches caused by POTS. With a whine, nuzzle to my leg, a ‘Clint Eastwood stare,’ or even sneezing in my direction, his alerts stop my symptoms in their tracks.

RICK & SAILOR

Since Aajak has slowed down, getting Sailor with his pep and his alerts that I can pick up on is so amazing. I would not ask for any other companion.

JULIET & CRYSTAL

In short, Juliet always has a friend. Due to her frequent illnesses, Juliet has to miss school more often than we would like. Crystal is a constant in Juliet’s life. She is there to comfort Juliet during treatments, and be there as a friend when Juliet can’t get out of the house. Crystal is patient and loving, no matter how Juliet is feeling. She has been such a great addition to Team Jules!

RAMONA provides comfort, care, and courage to victims and witnesses that come to the Lehigh County Courthouse. She has provided assistance to over twenty victims and witnesses of domestic violence, sexual assault, child sexual assault, physical assaults, robbery, attempted homicide and homicide since she arrived in August. Ramona is a stress reliever, a spirit-lifter, a silly dog that makes someone laugh, a hugger and a paw/hand holder. She provides an extra ounce of courage. As stated by someone she helped, “Thank god you guys have her here. I know that I couldn’t have done this without her. I thought I was going to cry and then I looked at her and I knew I’d be ok.”

MATTHEW & DREW

Drew has been a wonderful addition to our family as a companion for Matthew. As Drew is a successor, Matthew’s experience with his first dog, Ryan, was very special, but different. Matthew is now older, has more language skills, and has previous experience living with a companion dog. Therefore, Matthew was able to take more responsibility for Drew from day one. This has made their bond extra special. Drew adds happiness, companionship, and a sense of responsibility to Matthew’s life!

NEW COURTHOUSE COMPANION TEAM

LEHIGH COUNTY COURTHOUSE & RAMONA

ITALIAN HOUND

Ramona provides comfort, care, and courage to victims and witnesses that come to the Lehigh County Courthouse. She has provided assistance to over twenty victims and witnesses of domestic violence, sexual assault, child sexual assault, physical assaults, robbery, attempted homicide and homicide since she arrived in August. Ramona is a stress reliever, a spirit-lifter, a silly dog that makes someone laugh, a hugger and a paw/hand holder. She provides an extra ounce of courage. As stated by someone she helped, “Thank god you guys have her here. I thought I was going to cry and then I looked at her and I knew I’d be ok.”
On Saturday, September 16, 2017 more than 1,000 guests joined us for another successful Open House hosted by our gracious neighbors at Manor Presbyterian Church. Visitors eagerly made their way to CPL’s Mission booths to learn more about different aspects of our organization like the Breeding Program, Development and Fundraising, Prison and Community Puppy Raising, and more. In between enjoying the delicious lunch provided by Sullivan’s Heritage Barbeque and listening to the live music of Ol’ 442, attendees browsed through twenty different craft, retail, and pet-friendly vendors. Everyone’s favorite stop, the Puppy Kissing Booth, sponsored by West Pharmaceutical Services, Inc., was full of cuddles and smiles the entire day as guests of all ages were able to meet puppies-in-training. Nearly 200 people hopped on the bus to take a ride over to CPL’s campus for a Construction Tour of the Program Services Center in progress.

At 4:00 p.m., Sally the Cow was released to “doo” her thing on the Cow Bingo field as everyone gathered around in anticipation. Just a short while later, Sally chose the lucky bingo square and the $5,000 “moo-lah” winner was announced! The winner wishes to remain anonymous.

Thank you to our staff, volunteers, sponsors, and vendors for making this event such a success!

ADELE AND EVERYTHING AFTER WAS OFFICIALLY RELEASED ON JANUARY 30, 2018!

ADELE AND EVERYTHING AFTER was officially released on January 30, 2018! Rent or buy your copy today!

Adele and Everything After is available on DVD and Blu-ray on Amazon. You can also rent or purchase the film immediately from various Video on Demand platforms like iTunes, Google Play, Verizon Fios, Comcast and much more! Visit adelemovie.com/watch for the full list of places to purchase the film.

Adele and Everything After, a feature-length documentary produced by Long Haul Films, follows the story of Marty and Adele, the very first cardiac alert team to graduate from Canine Partners for Life. Adele saved Marty’s life, every day, for nine years. This film follows their partnership, retirement, and what happens when Marty has to find a new partner to take over the job of protecting her heart.

The CPL mission is to increase the independence and quality of life of individuals with physical, developmental, and cognitive disabilities or who are in other situations of need. We achieve our mission by providing and sustaining professionally trained service and companion dogs.

Thank you, Merial, for keeping our dogs healthy!

Each year, Merial (Boehringer Ingelheim) donates flea, tick, and heartworm preventative products including Frontline and Heartgard, as well as IMRAB vaccines. We are incredibly grateful for Merial’s continued generous support!
